APPENDIX
(Marked-Up Versions of Replaced Paragraphs)

[08] [[01]]Figure 1 shows how complex documents are assembled from multiple[, components] component PDF files.

[09] Figure [1(A)] 1a shows a complex document having variable fields.

[10] Figure [1(B)] 1b shows variable data being placed into the document of Figure [1(A)] 1a.

[11] Figure [1(C)] 1c shows the selection of components for the variable data fields based on a data stream.

[12] Figure [2] 1d shows the selection of components for the variable data fields from a PDF file.

[13] Figures [3(A-C)] 2a, 2b and 2c show the placement of Cos objects and allocated storage blocks in a compressed composite PDF file.

[14] Figure [4] 3 shows the links between allocated storage blocks, contents arrays and Cos objects.
